**Cover Image: The cover aerial photograph is courtesy of C&S Companies, Inc. of Syracuse, NY. It shows the Binghamton-Johnson City Joint Sewage Treatment Plant and the neighboring NYSEG facility in Vestal, NY on June 28, 2006 when the Susquehanna River flooded to record levels. The inundated plant (right in photo) shows a red construction crane. The three long white rooftops (center) are where NYSEG parks its truck fleet next to its building complex on left.**
