

Be A Leader & Help NYWEA's Scholarship Program Grow Matching Fund Pledge Form

Your contribution will help reinforce the foundation of the existing Scholarship Program. This is the third phase of the program. Your pledge will be used dollar for dollar to solicit *matching* donations from members that have not contributed and will make their contributions go further.

This program is targeted to get as many new members as possible, so the matching funds will be used only to match donations from new contributors. Also, the amount is limited to \$20/year for five years to spread the matching funds as far as possible. Matching fund contributors will be recognized uniquely by verbal promotion at the upcoming Annual Meeting and printed recognition on the website and in *Clear Waters* magazine.

We are looking for contributors to pledge at the \$2,500 to \$5,000 level – that is \$500 to \$1,000 per year for five years to establish the matching fund.
