

NYWEA

LEADING THE WAY IN
WATER QUALITY MANAGEMENT

**NYWEA Scholarship Fund:
Keeping the Momentum Going!
In 2012 and Beyond!**

NYWEA Scholarship Fund

If you would like to make a pledge to this important program, contact Patricia Cerro-Reehil at (315) 422-7811.

Scholarship presentations. Left to right: NYWEA President Bruce Munn, Alex Ruyack, Hannah Sey Young Min, Natalie Browne (NG Kaul Scholarship winner) and NYWEA Executive Director Patricia Cerro-Reehil.

Investment in the future of our water industry is vital. The number of students graduating from college today with science or engineering degrees and interested in actively pursuing a career in the environmental field is something we need to cultivate to properly address our industry needs for years to come. While technology continues to advance, it is critical that we attract the best and the brightest to our field to supply the professionals necessary to continue to research and improve water quality. The future of our environment is dependent upon our success.

It is essential that we keep the scholarship fund momentum growing to demonstrate to our newer members and future members our commitment to the water environment cause, not just for ourselves but for our children and generations of children to come. This is truly a program of which each NYWEA member can be proud. Remember, the success of our students is our success as well! Make your pledge today.

Corporate Pledges

"Thinking back on my service on the Board, there's one thing I fell short on – and that was being an individual contributor to NYWEA's Scholarship Program. I'm happy to make a contribution to this

important program, and I hope others will do the same."

— Kenneth Knutsen

Alexandria Kuhl of Broadalbin, NY, NYWEA's \$10,000 scholarship winner, was recognized during the opening session of the 2008 Spring Meeting. President Robert Kukenberger made the presentation.

Bold = New/Renewing Pledge after December, 2011

In 2004, NYWEA developed a Memorial Scholarship Program as a way to memorialize a spouse, relative, friend, member or teacher who had passed away. All contributions to Memorial Scholarships have a two-fold effect. First, a unique person is remembered in a very meaningful way, and second, the contribution to a student's education and career becomes a living memorial through the student who receives scholarship support. To date four Memorial Scholarships have been established.

NG Kaul
Memorial Scholarship

Michelle Koester
Memorial Scholarship

James Anderson
Memorial Scholarship

Lucy Grassano
Memorial Scholarship

If you would like to make a pledge to these Memorial Scholarships, please contact Patricia Cerro-Reehil at (315) 422-7811.
